

ECUADOR GALAPAGOS NORTH PACKING LIST

PERSONAL ITEMS

Use your HXP Cotopaxi gear as your personal item for travel.

Pro tip: it is helpful to bring both a fanny pack & a backpack as personal items. Some airlines will require your fanny pack to be in your backpack for the flight, so be sure to save room!

FANNY PACK

- Passport
- Hand sanitizer & chapstick
- Pen
- Camera (optional)
- Phone (for domestic travel)

BACKPACK

- HXP Builder Handbook (booklet you received in your packet)
- Durable/reusable water bottle, one that keeps water cold!
- Travel-size Bible & Book of Mormon (you will need BOTH)
- Pencil bag - include any pens/pencils for journaling & scripture study
- Sleep aids - examples: eye mask, ear plugs, neck pillow
- Light jacket/sweatshirt (pack here for the plane. If not, pack in carry-on)
- Sunglasses
- Cell phone charger (for domestic travel)
- Camera charger & outlet adapter to your country (if applicable)
- Reading materials (optional)
- Compact games (optional) - examples: card games, dice, etc.
- Wallet (see below)
- Folder (see below)

WALLET

- Temple recommend
- Debit card (Be sure to write your pin in your journal!)
- Cash (we recommend having \$50-\$200)
- Student ID &/or Drivers License

Pro tip: keep your ID separate from your passport in case one gets lost.
Example: wallet in your backpack & passport in your fanny pack.

FOLDER

- Printed copy of flight information to & from the meetup airport
- Printed copy of your passport bio page (the page with your headshot)
- Printed copy of your notarized Builder form (found on portal)
- Printed copy of any doctor's prescribed medication (if applicable)
- Printed copy of your Patriarchal Blessing (if you have one)

CARRY-ON

You will pack everything for your first sight-seeing weekend in your carry-on. You will likely not have access to your checked bag until after this weekend. Please pack accordingly!

CLOTHING

- 3 outfits & 3 pairs of underwear

ECUADOR GALAPAGOS NORTH PACKING LIST

TIPS FROM YOUR EXPERIENCE DESIGNER

These are items that your Experience Designer (trip planner) has stated are necessary for your specific trip. We recommend you take the following:

- Electrolytes for water
- Hand towel and small blanket
- Ear plugs for sleeping
- Warm coat and gloves
- Motion sickness medication for higher elevation
- Plastic bag to put dirty worksite shoes in for the bus ride

DO NOT BRING

- Laptops, iPads, iPods, Kindle
- Video games, Nintendo Switch
- Apple Watch, smart watches
- Expensive clothing & jewelry
- Hair appliances (curling iron, flat iron, etc.)

DRESS CODE

We don't have a drop-dead clothing regulation. Across all our trips, we want Builders to be comfortable doing all activities they will participate in while being respectful to the people and cultures we interact with.

LOCATION

For Ecuador specifically, the elevation is much higher than what most people are used to, so pack altitude sickness medication with you in your personal item and in your carry-on!

WORKSITE

On the worksite, we ask that Builders wear long pants & short/long sleeve shirts for safety purposes.

SWIMWEAR

Our biggest thing with swimsuits is we do a lot of active things, so just make sure Builders pick a suit they are comfortable running, swimming, & doing water activities in.

BAGGAGE REQUIREMENTS

BAGGAGE & PERSONAL ITEM

For baggage requirements, check the flight information tab on your portal. This will go live 90 days before your trip departure.

Use your Cotopaxi backpack for your personal item.

HELPFUL TIPS

TRIP SPECIFIC VACCINES/MEDICATIONS AND CUSTOMS FORM*

We encourage every Builder to look at the CDC website for the recommended vaccines and medications of the locations they are traveling to. Please review that page and talk with your doctor or a travel clinic to decide if you want any additional vaccines or medication.

*For Ecuador, you will need to send a screenshot of the Customs Form to your Trip Leader before departing to your meet up airport. This is required for entry to the Galapagos Island.

SNACKS

One of the best things about traveling is being able to try new foods. Be open to expanding your taste buds! You may want to pack the snacks you love to ensure you are always happy and full. While our food providers can work with dietary restrictions, options can be limited. Please plan accordingly & pack any snacks you might need.

Recommendations: trail mix, granola and/or protein bars, peanut butter, fruit snacks, dehydrated fruit, crackers, mini cereal boxes, drink mixes/flavorings.

PACKING TIPS FROM OUR BUILDERS:

"I wish I would have brought all scripture books, sunglasses"

"Pens, cold medicine, protein bars, comfortable slides, more work gloves"

"More snacks and drink mixes, a light weight blanket, another towel if possible some more comfy clothes to wear after work time "

" A clothing refresher spray is really nice to have, I would bring warm gloves and a mirror.

"Put an AirTag in luggage to track it at the airport, bring pants for the worksite that are somewhat water resistant and light in weight, try and keep as much room as you can for souvenirs"

"I think it would be really awesome to emphasize how helpful it is to stick to the packing list! I overpacked a bit and I really wish I didn't, it just made things more complicated"

*Remember you know yourself best! Pack what you know you will need.
